Re: Biennial Evaluation of Statement of Economic Interest

Dear Treasurer Briner:

Our office has received your 2026 Statement of Economic Interest (SEI) as an ex officio member of the **Board of Trustees of the Local Governmental Employees Retirement System ("the Board").** We have reviewed it for actual and potential conflicts of interest under the State Government Ethics Act ("the Act"), which requires that SEIs be evaluated every two years after initial evaluation.

Compliance with the Act and avoidance of conflicts of interest in the performance of public duties are the responsibilities of every covered person, regardless of this letter's contents. This letter is required by N.C.G.S. § 138A-28(a) and is designed to educate the covered person as to potential issues that could merit particular attention. The letter is not meant to impugn the integrity of the covered person in any way. Advice on compliance with the Act is available to certain public servants and legislative employees under N.C.G.S. § 138A-13.

We did not find an actual conflict of interest but found the potential for a conflict of interest. The potential conflict identified does not prohibit service on this entity.

The Board of Trustees ("Board") of the Local Governmental Employees Retirement System ("LGERS") is responsible for the administration of retirement allowances and other benefits for employees of counties, cities and towns or other eligible employers participating in the System. The Board serves as trustee for LGERS funds, while the State Treasurer serves as custodian and makes investments of such funds.

The Act establishes ethical standards for certain public servants and prohibits public servants from: (1) using their positions for their financial benefit or for the benefit of their extended family or business, N.C.G.S. § 138A-31; and (2) participating in official actions from which they or certain associated persons might receive a reasonably foreseeable financial benefit, N.C.G.S. § 138A-36(a). The Act also requires public servants to take appropriate steps to remove themselves from proceedings in which their impartiality might reasonably be questioned due to a familial, personal, or financial relationship with a participant in those proceedings. N.C.G.S. § 138A-36(c).

As the Treasurer for the State of North Carolina, you hold an ex officio role on the Board. Because you own financial interests in publicly owned companies, including Berkshire Hathaway, American Express and Wells Fargo., you have the potential for a conflict of interest. Therefore, you should exercise appropriate caution in the performance of your public duties should issues involving any entities that you or your spouse own a financial interest in come before the Board for official action.

In addition to the conflicts standards noted above, the Act prohibits public servants from accepting gifts, directly or indirectly (1) from anyone in return for being influenced in the discharge of their official responsibilities, (2) from a lobbyist or lobbyist principal, or (3) from a person or entity which is doing or seeking to do business with the public servant's agency, is regulated or controlled by the public servant's agency, or has particular financial interests that may be affected by the public servant's official actions. Exceptions to the gifts restrictions are set out in N.C.G.S. §138A-32(e).

When this letter cites an actual or potential conflict of interest under N.C.G.S. 138A-24(e), the conflict shall be recorded in the minutes of the applicable board and duly brought to the attention of the membership by the board's chair as often as necessary to remind all members of the conflict and to help ensure compliance with the Act. (N.C.G.S. §138A-15 (c).

Finally, the Act mandates that all public servants attend an ethics and lobbying education presentation (N.C.G.S. § 138A-14). Please review the attached document for additional information concerning this requirement.

Please contact our office if you have any questions concerning our evaluation or the ethical standards governing public servants under the Act.

Sincerely,

Jane Steffens, SEI Unit

Dear Governor Stein:

Our office has received a 2026 Statement of Economic Interest (SEI) from **Mr. Homer Dearmin** as a member of the **Board of Trustees of the Local Governmental Employees Retirement System ("the Board").** We have reviewed it for actual and potential conflicts of interest under the State Government Ethics Act ("the Act"), which requires that SEIs be evaluated every two years after initial evaluation.

Compliance with the Act and avoidance of conflicts of interest in the performance of public duties are the responsibilities of every covered person, regardless of this letter's contents. Mr. Dearmin fills the role of a city or town manager of a town participating in the Local Governmental Employees' Retirement System. He is the Town Manager for the Town of Rural Hall. Re: Biennial Evaluation of Statement of Economic Interest

Dear Governor Stein:

Our office has received a 2026 Statement of Economic Interest (SEI) from **Mrs. Shinica Thomas** as a member of the **Board of Trustees of the Local Governmental Employees Retirement System ("the Board").** We have reviewed it for actual and potential conflicts of interest under the State Government Ethics Act ("the Act"), which requires that SEIs be evaluated every two years after initial evaluation.

Compliance with the Act and avoidance of conflicts of interest in the performance of public duties are the responsibilities of every covered person, regardless of this letter's contents. This letter is required by N.C.G.S. § 138A-28(a) and is designed to educate the covered person as to potential issues that could merit particular attention. The letter is not meant to impugn the integrity of the covered person in any way. Advice on compliance with the Act is available to certain public servants and legislative employees under N.C.G.S. § 138A-13.

We did not find an actual conflict of interest but found the potential for a conflict of interest. The potential conflict identified does not prohibit service on this entity.

The Board of Trustees ("Board") of the Local Governmental Employees Retirement System ("LGERS") is responsible for the administration of retirement allowances and other benefits for employees of counties, cities and towns or other eligible employers participating in the System. The Board serves as trustee for LGERS funds, while the State Treasurer serves as custodian and makes investments of such funds.

The Act establishes ethical standards for certain public servants and prohibits public servants from: (1) using their positions for their financial benefit or for the benefit of their extended family or business, N.C.G.S. § 138A-31; and (2) participating in official actions from which they or certain associated persons might receive a reasonably foreseeable financial benefit, N.C.G.S. § 138A-36(a). The Act also requires public servants to take appropriate steps to remove themselves from proceedings in which their impartiality might reasonably be questioned due to a familial, personal, or financial relationship with a participant in those proceedings. N.C.G.S. § 138A-36(c).

Mrs. Thomas would fill the role of a county commissioner who is participating in the Retirement System. She is a Wake County Commissioner. Because she would serve on the board that oversees retirement allowances and benefits for counties, she has the potential for a conflict of interest. Therefore, Mrs. Thomas should exercise appropriate caution in the performance of her public duties should issues involving her benefits or Wake County come before the Board for official action.

In addition to the conflicts standards noted above, the Act prohibits public servants from accepting gifts, directly or indirectly (1) from anyone in return for being influenced in the discharge of their official responsibilities, (2) from a lobbyist or lobbyist principal, or (3) from a person or entity which is doing or seeking to do business with the public servant's agency, is regulated or controlled by the public servant's agency, or has particular financial interests that may be affected by the public servant's official actions. Exceptions to the gifts restrictions are set out in N.C.G.S. §138A-32(e).

When this letter cites an actual or potential conflict of interest under N.C.G.S. 138A-24(e), the conflict shall be recorded in the minutes of the applicable board and duly brought to the attention of the membership by the board's chair as often as necessary to remind all members of the conflict and to help ensure compliance with the Act. Re: Biennial Evaluation of Statement of Economic Interest

Dear Governor Stein:

Our office has received a 2026 Statement of Economic Interest (SEI) from **Mrs. Avril Pinder** as a member of the **Board of Trustees of the Local Governmental Employees Retirement System ("the Board").** We have reviewed it for actual and potential conflicts of interest under the State Government Ethics Act ("the Act"), which requires that SEIs be evaluated every two years after initial evaluation.

Compliance with the Act and avoidance of conflicts of interest in the performance of public duties are the responsibilities of every covered person, regardless of this letter's contents. This letter is required by N.C.G.S. § 138A-28(a) and is designed to educate the covered person as to potential issues that could merit particular attention. The Act also requires public servants to take appropriate steps to remove themselves from proceedings in which their impartiality might reasonably be questioned due to a familial, personal, or financial relationship with a participant in those proceedings. N.C.G.S. § 138A-36(c).

Mrs. Pinder fills the role of a County Manager of a town that participates in the retirement system. As she is the Buncombe County Manager and a potential beneficiary of the Retirement System, she has the potential for a conflict of interest. Therefore, Mrs. Pinder should exercise appropriate caution in the performance of her public duties should issues involving Buncombe County, its employees, or her own benefits come before the Board for official action.

In addition to the conflicts standards noted above, the Act prohibits public servants from accepting gifts, directly or indirectly (1) from anyone in return for being influenced in the discharge of their official responsibilities, (2) from a lobbyist or lobbyist principal, or (3) from a person or entity which is doing or seeking to do business with the public servant's agency, is regulated or controlled by the public servant's agency, or has particular financial interests that may be affected by the public servant's official actions. Re: Biennial Evaluation of Statement of Economic Interest

Dear Speaker Hall:

Our office has received a 2026 Statement of Economic Interest (SEI) from **Ms. Patricia Thornburg** as a member of the **Board of Trustees of the Local Governmental Employees Retirement System ("the Board").** We have reviewed it for actual and potential conflicts of interest under the State Government Ethics Act ("the Act"), which requires that SEIs be evaluated every two years after initial evaluation.

Compliance with the Act and avoidance of conflicts of interest in the performance of public duties are the responsibilities of every covered person, regardless of this letter's contents. This letter is required by N.C.G.S. § 138A-28(a) and is designed to educate the covered person as to potential issues that could merit particular attention. The letter is not meant to impugn the integrity of the covered person in any way. Advice on compliance with the Act is available to certain public servants and legislative employees under N.C.G.S. § 138A-13.

We did not find an actual conflict of interest or the likelihood of a conflict of interest.

The Board of Trustees ("Board") of the Local Governmental Employees Retirement System ("LGERS") is responsible for the administration of retirement allowances and other benefits for employees of counties, cities and towns or other eligible employers participating in the System. The Board serves as trustee for LGERS funds, while the State Treasurer serves as custodian and makes investments of such funds.

The Act establishes ethical standards for certain public servants and prohibits public servants from: (1) using their positions for their financial benefit or for the benefit of their extended family or business, N.C.G.S. § 138A-31; and (2) participating in official actions from which they or certain associated persons might receive a reasonably foreseeable financial benefit, N.C.G.S. § 138A-36(a). The Act also requires public servants to take appropriate steps to remove themselves from proceedings in which their impartiality might reasonably be questioned due to a familial, personal, or financial relationship with a participant in those proceedings. N.C.G.S. § 138A-36(c).

In addition to the conflicts standards noted above, the Act prohibits public servants from accepting gifts, directly or indirectly (1) from anyone in return for being influenced in the discharge of their official responsibilities, (2) from a lobbyist or lobbyist principal, or (3) from a person or entity which is doing or seeking to do business with the public servant's agency, is regulated or controlled by the public servant's agency, or has particular financial interests that may be affected by the public servant's official actions. Exceptions to the gifts restrictions are set out in N.C.G.S. §138A-32(e).
