Changes for 2025

- Board Oversight of AI: In the absence of material incidents related to a company's use or management of AI-related issues, voting recommendations will not be made on the basis of a company's oversight of or disclosure concerning AI-related issues.
- Change-In-Control Provisions: Companies that allow for committee discretion over the treatment of unvested awards for compensation and performance should commit to providing clear rationale for how such awards are treated in the event of a change in control occurs.
